

Heathfield Juniors

Dear Parents

Most of you have now signed up for an appointment with your child's class teacher. Please ensure you make an appointment if you have not already done so. It's important you are able to discuss your child's report with his/her teacher. You will then be given the report to take home with you.

Start your week with a song! Come along to the Infant hall every Monday morning for 20 minutes of singing with parents, children and staff. Mr Speck will lead a session of popular songs for everyone, and also teach you a thing or two about good vocal technique! Arrive around 8.25am ready to sing at 8.30am. There is no need to have any singing experience and no need to sing a solo (unless you want to!). Toddlers and younger siblings are also welcome to join. Please note that you are responsible for supervising your child during this time, and you must accompany them for drop-off in the playground ready for the start of the day as normal. See you there!

2k Park Run Every Sunday

The fun 2K park run is held every Sunday at Hanworth Air Parcs. 9am start. If you have not done so already and would like to join in this great junior exercise fun run please register (takes a very short time and involves just an email address) please do so and print your bar code for the event which must be shown at the finish of each run. All children can take part up to the age of 14. www.parkrun.org.uk/hanworth-juniors/

School Travel Plan

We are very pleased to report that we have gained a Bronze award from Transport for London for our school travel plan. This has been earned from all the work we have done this year to promote and educate the pupils in sustainable travel. We hope to do even more in this area to reach the silver award next year.

Absence Reporting

When reporting your child absent please contact the school on the morning of absence on 020 8894 3525 option 1. Alternatively you can send an email to: office@heathfield-jun.richmond.sch.uk.

Wrist band attendance competition

To reward 100% attendance, we are running a competition for the last half term of this school year. Children can collect different colour wristbands for every week they have 100% attendance. We hope your child is earning all their wristbands.

Personal Property

Please ensure all bikes and scooters are taken home each day. Unfortunately, items that are left overnight attract youngsters into the school grounds. We must protect the school property by using as many deterrents as possible. As you know, we provide storage for bikes and scooters to be left during school hours, but these are left at your own risk and we encourage you to ensure they are locked and taken home at the end of each day.

Thank you for your co-operation.

Bugsy Malone

Our year 6 students are very excited for this year's production of Bugsy Malone.

Tickets costing £1.50 each, will be available for performance on Tuesday 16th or Wednesday 17th July at 19.00.

An allocation of 4 tickets will be available per family and any spare will be sold at a later date.

Singing New

We were very excited to welcome Miss Elizabeth Hunt into school last Tuesday to carry out mock exams for all the Prep Test and Grade 1 singers. She was incredibly impressed with all of the children, especially the professionalism with which they sang and the attitude they took towards the mock exams. Mr Christopher Tilbury from the associated Board of the Royal College of Music (ABRSM) will be in school on Monday 8th July to examine all the singers for real. We wish them the best of luck! Mr Speck

Spanish Day

Last Tuesday we celebrated 'Spanish Day'. It was a great success and lots of fun was had by all! The children took part in all sorts of activities throughout the day including food tasting, art music and dance sessions. The biggest hit of the day was a whole school dance off that we performed in the playground at the end of break time. The children were enthusiastic and enjoyed singing along to the words and performing the routine they had learnt so brilliantly.

Another highlight of the day were the flamenco show and workshops. Children and staff alike were amazed by the dancers who performed for us and enjoyed having a go themselves during the workshops that ran throughout the

day. It was a wonderful day and a true celebration of all that the children have achieved in Spanish this year!

Packed Lunches

After week two of the healthy lunch box campaign we still have been impressed with the children's desire to find out which foods are healthy. The winners of a new lunch box this week are: Lily-May, Millie, Laiba, Ishak, Ravleen, Harleen, Rio and Anya

As you will see from their lunches, they had beautifully healthy and balanced lunches. More winners will be announced next week.

Art Week

All the children have really enjoyed Art Week. We have taken part in a music workshop run by 'Earth Song', learning about instruments and music around the world. We have also created a giant model of the world with an artist from Orleans House, along with the children completing fantastic activities and projects in class.

Please remember you can come and see your child's art on parents evening.
