Year 3 Calculation Café

Dear Parents/Carers,

Maths Calculation Café

On Thursday 28th March, we will be hosting another 'calculation café' in the Year 3 classrooms from 3.30pm to 4.00pm. Due to the success of our last café the workshops will take place in your child's individual classrooms in order to give everyone enough space to work with their children.

During this time, we will revisit the Year 3 formal written methods before focusing on fractions. You will then have the opportunity to work with your child on some questions on the formal methods and fractions.

We hope that this will then aid you in supporting your child at home.

If you are interested in this event, please complete the reply slip below and return to your child's class teacher by Monday 25th March.

Many thanks
The Year 3 Team
