EXECUTIVE HEADTEACHER – Mr Paul Clayton

December 2018

Dear Parents

As part of our Science week this year, we are having a scientific fancy dress competition! On Tuesday 22<sup>nd</sup> January we ask that children come in to school in their best science themed costume. We will be awarding prizes for the best fancy dress at the end of the day.

**Here are some ideas linked to our science curriculum:** famous scientists, seasons, weather, plants, the parts of a plant, water or the water cycle, animals, the human skeleton, different materials e.g. wood, plastic, paper, representations of light and/or dark, space, the planets, astronauts, magnets.

Water

Astronaut

Solar System

Skeleton

Plastic

We look forward to seeing your amazing costumes!

Thank you,

Mrs A Homer

Science Co-ordinator
