Return to School

Mrs Child and Mr Colenso's letter to you dated 31st December indicated that school would be closed for two weeks until 18th January. However, as most of you will know, the government has extended the period of time schools will remain closed to the majority of children until February half term. This is an ever-changing situation and the Government may well change the date again. When we are able to welcome our children back, we will be sure to let you know.
