27<sup>th</sup> February 2020

Dear Parents / Carers

On Tuesday 17<sup>th</sup> March, we will be visited by popular children's author Jennifer Bell and illustrator Alice Lickens. **Books will be available to order and buy on the day, and Jennifer and Alice will be signing and dedicating copies.** Books are provided by Richmond bookshop *The Alligator's Mouth*. If you would like a signed copy of their book *Agents of the Wild: Operation Honeyhunt* please complete the pre-order form below and return to either school office by 9am, Monday 9<sup>th</sup> March.

### **About Jennifer Bell and Alice Lickens**

Jennifer Bell began working in children's books as a specialist bookseller. After having the privilege of listening to children talk about their favourite books for many years, she started writing her own. Jennifer has also written *The Uncommoners* series for junior readers.

Alice Lickens is a freelance illustrator, author and designer based in London. She uses bold shapes and layers of texture to create her illustrations. As well as writing and illustrating her own books, Alice is one of the first illustrators in the UK ever chosen for the Sendak Fellowship.

### **Available to pre-order and buy on the day**

#### ***Agents of the Wild: Operation Honeyhunt*, £6.99 paperback**

Enter the world of Agnes & Attie: *Agents of the Wild*; fun-packed young fiction with wildlife conservation themes.

When 8-year-old Agnes is signed up for SPEARS (the Society for the Protection of Endangered and Awesomely Rare Species), she has no idea of the adventures that lie ahead with her elephant-shrew mentor Attie (short for "Attenborough"). Operation Honeyhunt sends them to the Brazilian rainforest, on a mission to save an endangered, dance-loving bee named Elton. Will Agnes pass the test and become a full SPEARS agent?

Species in danger? Girl and shrew to the rescue!
