

# HEATHFIELD SCHOOLS' PARTNERSHIP

19th July 2019

## Heathfield Juniors

Dear Parents

It has been another really successful year at Heathfield. The children, from Nursery to year 6 have made great progress in both their academic and social development and are absolutely ready for the next stage in their journey through the schools. All our published data is strong, the vast majority above the National Averages. This is a real credit to the children, their teachers and of course for your continued support and guidance. A sincere thank you for all you've done. We hope you have a relaxing and enjoyable holiday and look forward to seeing you in September.

A fond farewell to the children in Year 6. They have had a terrific year culminating in a wonderful Buggy and fabulous SATs results; the stand out figure being 94% for maths (National Average 79%). Well done to them and good luck for the future.

### Bugsy Malone

Over the last couple of days, year 6 have been performing their production of Buggy Malone. The children have worked so hard as a team and their efforts paid off with two amazing displays for their parents on Tuesday and Wednesday evenings. All of the singers, dancers and actors shone: lighting up the stage with their dramatic abilities. As with everything this year, Churchill, Turing and Witherington classes showed how collaborative they are and how they give everything 100% complete with smiling faces! Our 'Good Guys' have made the whole school proud, with fabulous SATs results (best maths results ever!), challenging themselves in Osmington Bay and also how much fun they have in whatever they do! What a way to end a year! Well done year 6!

### Sports Day

A fantastic afternoon under the gorgeous sun for the Junior Sports Day and an even better afternoon for Yellow House. At midday the children in the Junior School joined their siblings from the Infant School and their parents for the picnic on the school field. As soon as this was finished, the events were to begin. We continued last year's success of holding the sprint heats where children competed against other children in their house to compete in the year group house final. Following these finals, the children competed in the familiar annual events of the shuttle relay, the hoop race, the bean bag on head race, the bean bag throw and the new favourite, the space hopper relay. It was wonderful to see so many parents attending Sports Day to cheer their children on and for children to enthusiastically support other children in their houses. Well done Yellow House!

### Clubs

Club letters will be going out in September, if your child would like to attend any of the clubs available please fill in the return slip and hand it to the front office as soon as possible as there are limited spaces.

### Year 6 Leavers Party

Our Year 6 children had a fantastic time at their recent Leaver's Party and it was an absolute delight to watch them as they enjoyed singing, dancing and having fun at the Photo Booth! Thank you to all the mum's, Justine, Sue, Carly, Vikki, Michele & Faye who organised the whole evening and made it such a resounding success. May we take this opportunity to wish our Year 6 children farewell, good luck and wish them every success in their new journey into Secondary School. We will really miss them all!

## Singing Exam Results

All of our Grade 1 singers passed their exams with flying colours! Congratulations to the following pupils:

Michael Wells  
Maisy-Lylyne Gibbons  
Hillary Opoku – Passed with Merit  
Anastazia Szaraneck  
Lianne Joao- Passed with distinction  
Sadhna Vijay Anand – Passed with Merit  
Mia Young – Passed with Merit  
Roya Derbas – Passed with distinction

And another well done to the Prep Test singers, who received certificated and feedback on the day of their exams:

Yasmin Ahman  
Nabiha Ahmed  
Oliver Brien  
Libby Carter  
William Dormer  
Matylda Kucharska  
Darcey-Rose Lewis  
Joel Martin  
Sophie Mclachlan  
Ruby Tomkins

We look forward to more musical successes next year.

## 100 percent attendance

39 children received their 100% attendance certificates. That's 190 days, 380 registrations, but most of all a summer of pride and a wonderful achievement.

## Packed Lunches

The lunch box winners for last week were: Jacob, Eliza, Jacob, Oliver, Zainab, Ishan and Lottie.

You can see from the pictures that the children have been enjoying the most wonderful lunches.

Pupil Voice again carried out a survey with their class discussed the impact of the Healthy lunch box campaign.

The children found that pupils loved earning a new lunchbox,

But also noticed:

- They had more energy
- Could sleep better
- Looked forward to eating their lunch even more spent more time eating.
- Were getting less annoyed with people!

As a result the Pupil Voice have asked parents do the following next year.

- 1) Parents should put a piece of fruit or vegetable in lunch boxes everyday
- 2) Parents should only put a treat in lunchboxes (chocolate, crisps) on a Friday.

## Diary Dates

19<sup>th</sup> July  
4<sup>th</sup> September  
9<sup>th</sup> September  
11<sup>th</sup> September

Last day of school before **Summer Holidays**  
New School year begins  
Year 4 will start swimming lessons every Monday until 27 January 2020  
Smartcooks club starts
