Dear Parents and Carers

We started school last September hoping for a year without interruptions. We've had that and much more. Your children have excelled themselves this year in every aspect of school life. They have a great attitude to learning, show resilience and talent and are caring and kind. They are a credit to you. So a sincere thank you to them, the adults who teach them and to you for all the support you give us.

We wish our Year 6 children a fond farewell and all the very best in their new secondary schools while we look forward to seeing the rest of the school again in September. I hope you all have a relaxing and enjoyable break.

Paul Clayton

### Grease is the Word

Congratulations to our Year 6 children and staff for putting on a such fantastic production of Grease. Their hard work paid off with audiences blown away by their incredible energetic performances. A particularly big thank you to Mrs Mullen for everything she does behind the scenes pulling the show together!

Summer Nights

Beauty School Dropout

### Infants Sports Day

Last Tuesday the Infants came together for their sports day. The morning was filled with excitement as the children competed in shot put, egg and spoon, hurdles, relay and running races. We were very proud of all the children for taking part and trying their best especially in the hot weather.

Year 1 winners  
Disney

The overall class winners were **Disney** and **McNish**.

Year 2 winners  
McNish

A special well done to the children from those classes.

### Year 2 Leavers' Assembly

On Monday and Tuesday our Year 2 children put on performances to celebrate their time in the Infants. In front of their families they sang beautifully and put smiles on the faces of everyone around them. The Infant staff have enjoyed teaching them and wish them all every success in Year 3.

### Visit to Dalemead Care Home

Over the past two years, since the start of the pandemic, we have corresponded with the residents of Dalemead Care Home in Twickenham. Last Tuesday, some of our Year 6 children got to visit the home and sing for them. They were delighted to see all our letters, cards, poems and postcards displayed around the care home.

Mrs Peirson reports “*The residents were overjoyed to see the children when the curtains were opened. Children sang beautifully and by the end most of the residents were clapping along or joining in. It was a real joy to see and so good to be part of something wonderful which has come out of the pandemic.*”

## Festival of Sport

Our Junior children took part in their Festival of Sport last Friday. This is the second year we have run such an event where

we celebrate many of the wonderful sports we enjoy at Heathfield. We welcomed some sporting superstars including footballer Marcus Gayle and cricketer Blake Cullen

as well as sports leaders from Turing House School who helped organise the events. Thank you to Mr Watson for putting on such a wonderful event.

## Prep Test Singing

Last Monday saw a busy start to the week for our Year 3 singers, who went to the Riverside Arts Centre in Sunbury for their ABRSM Prep Tests. Mr Speck was very proud of them saying, "All eight children were such a credit to Heathfield, not only in how beautifully they sung but also their impeccable behaviour and wonderful manners; the examiner was so impressed by each and every one of them. A huge well done!" All the children passed and received a certificate.

## Rocksteady Concerts

Our Rocksteady bands across Infants and Juniors delighted their classes and families with their performances in their end of term concerts last week and the week before. Eymen said, "I really liked it. I like drumming because I like keeping the beat and I like that I've

*improved my drumming skills.*"

If your child would like to join a rocksteady band next year, please click on the following link [rocksteady](#), click 'sign up' and search for 'Heathfield'.

## Dates for your diary

Monday 25th July - Friday 26th August - Sport4Kids Multi-Activity Camp - click [here](#) to book

Monday 22nd - Thursday 25th August - Cricket Camp on Heathfield Recreation Ground - to book  
[click here for All Stars](#) (5-8) and [here for Dynamos](#) (9-11)

Monday 5th September - Children return to school, start of autumn term

## Pupil Voice 'Bin It' Assemblies

Pupil Voice children from across the school presented their 'Bin it' Assembly to their classes last week. The assemblies highlighted the environmental problem of litter in our community and ways to prevent the problem which not only affects the look of our parks, town centres and beaches but is also a danger to wildlife. They finished the assembly with a catchy motivational song and a competition to design a logo for litter awareness.

Thank you to everyone who entered the competition. One winner from each class received a pencil made out of old newspapers!

We would also like to thank all our Pupil Voice representatives for their work this year. Mrs Proctor-Lane presented them with a special recycled pen as a thank you.
