Dear Parent / Carer

This half term, Year 3's science topic is *How does my garden grow?* They will learn about plants, pollination and seed dispersal. To enrich the curriculum and complement their learning, we will be visiting Kew Gardens on **Tuesday 2<sup>nd</sup> June 2026**. They will have the opportunity to explore different plant varieties and participate in an educational workshop.

We will be travelling by train from Whitton to Richmond and then Richmond to Kew Gardens. Children should wear their full school uniform and comfortable shoes for walking (eg trainers). Please provide your child with a sunhat and pre-applied sun cream for a sunny day. **We require parent helpers to accompany us on the trip, so please inform your child's class teacher if you are able to help.** In the event that we have too many volunteers, we will pick names at random.

Your child should also bring a healthy packed lunch, with a bottle of water, in a named bag. If your child requires a packed lunch provided by the school, please indicate on the reply slip below.

This trip is part of our enrichment activities for the year. It is necessary for us to request a voluntary contribution for our enrichment activities. This request for payment represents the third of three instalments.

- If you are paying in termly instalments for the year's enrichment activities, please refer to your child's Scopay account (**3 TRIPS AND VISITORS 25-26**) for the outstanding balance.
- If you have paid for the year already (£30 or £23 for those entitled to the pupil premium grant), there is no need to pay any more.
