EXECUTIVE HEADTEACHER – Mr Paul Clayton

8th January 2025

Dear Parent / Carer

Year 4 Spring Activities 2025

Next half term the children will be doing a lot of work on animals. Our science topic is all about 'living things', the geography unit is 'food and farming' and we will also be reading 'Charlotte's Web' in English which is set on a farm.

As part of our enrichment activities, on **Monday 24th March** each Year 4 class will receive a delivery of duck eggs. The children will have the opportunity to observe duck eggs hatching and take care of the ducklings over a two-week period. We are all very excited about this visit!

We will also be visiting the Orleans Gallery for an art exhibition and an art lesson (Mark Making) where the children will be able to show off their crafting skills.

It is necessary for us to request a voluntary contribution for these activities. Fortunately, we have received some funding from the PTA to subsidise the cost of the ducklings. The total cost per child for both activities is therefore **£7.50** (or **£3.75** for those entitled to the pupil premium grant). If we do not receive enough contributions or other funding from elsewhere to cover our costs, it may be necessary to cancel one of these activities. You will be informed if this happens.

Please make your payment on Scopay, using the Code: **4 SPRING ACTIVITIES 25** by **Friday 7th February**.

Many thanks

The Year 4 Team

Year 4 Spring Activities 2025

(Please return by Friday 7th February)

Child's Name Class

I have paid £7.50 / £3.75 (please circle) via Scopay.

My child has money on their general account; please take the payment from there.

Signed: Parent / Carer
