29<sup>th</sup> January 2026

Dear Parents / Carers

## Year 4 Spring Term - Ducklings

Next half-term the children will be doing a lot of work on animals in science, geography and English. Our science topic is all about 'living things', the geography unit is 'food and farming' and we will also be reading *Charlotte's Web* in English, which is set on a farm.

Each Year 4 class will receive a delivery of duck eggs on **Monday 9th March**. The children will have the opportunity to observe duck eggs hatching and take care of the ducklings over a two week period. We are all very excited about this!

The ducklings form part of our enrichment activities for the year. It is necessary for us to request a voluntary contribution and we suggest a payment of **£10**. If your child is entitled to the pupil premium grant, this cost is subsidised to **£8**. This represents the second of three instalments for the year. If you paid in full during the autumn term (£30 or £23 for those entitled to the pupil premium grant), you have nothing further to pay and this letter is for information only.

If we do not receive enough contributions, or funding from elsewhere, to cover the costs of our activities, it may be necessary to cancel some of them. You will be informed if this happens.

Payment can be made online via Scopay, code: **4 TRIPS AND VISITORS 25-26**. We would appreciate it if all contributions could be made by **Friday 13<sup>th</sup> February**. If you have not yet done so and would prefer to pay your outstanding balance in full, please refer to your child's Scopay account for the correct amount.

Kind regards  
The Year 4 Team
