

We're counting down to the NSPCC Number Day 2017!

Dear parents and carers,

We are delighted to be supporting the **NSPCC** by taking part in their annual Number Day on **Friday 3rd February 2017**.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, "can-do" attitude towards it. From Nursery through to Year 6, we are busy planning hands-on creative maths lessons that will allow the children to see maths in an inspiring and exciting way.

On Friday 3rd February, we will be taking part in *Digits Dress Up* where pupils will be invited to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a **onesie!**). We are kindly asking for a £1 donation for anyone who partakes in this number challenge!

To support this important charity we will be organising a cake sale in school at breaktimes, which will further raise funds for the NSPCC cause. If you would like to donate cakes for the sale, please bring them to the Junior office by the morning of Friday 3rd February at the latest.

It all adds up

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise across the Heathfield Federation will make an enormous difference to children today and help change the lives of children tomorrow.

Thank you in advance for your help and support.

Christine Morgan

Deputy Head
