Infant Ofsted Report

Following Ofsted's visit to the Infant School in April, we have now received our official Ofsted Inspection Report. Ofsted have confirmed we remain a good school, however, the evidence gathered suggests that the school's work may have improved significantly across all areas. They will therefore complete another inspection within the next two years. A flavour of the report follows. To read it in full, please [click here](#).

Inclusivity is at the heart of this school. Pupils receive a high-quality education and are encouraged successfully to meet the school's ambitious expectations. Teachers support and encourage pupils to succeed and take pride in their learning. The rich curriculum nurtures pupils' talents and prepares them well for the next stage. Pupils achieve excellent outcomes and are proud to be part of this nurturing school. Pupils' behaviour is exemplary. They listen attentively, are highly motivated and show respect and kindness towards adults and each other consistently.

Child Safety Week

Last week was child safety week and in Reception our children explored road safety. They learnt all about how to keep themselves safe when they are near the road and when they are crossing the road. They also had a chance to show their learning by creating traffic lights, zebra crossings, red and green men as well as road signs. Martina from Bay class said,

"You have to stop if there are any cars coming when you want to cross the road. If you see them or if you hear them." Amy said "Children need parents to cross the road with" and Arsh from Oak class said "I wear a seatbelt to be safe in my car."

Year 3 Kew Gardens

On Monday, Year 3 had a wonderful time visiting Kew Gardens. Zoya said, *"We attended a pollination workshop where we learnt about different types of bees. We used a paintbrush to move pollen from one plant to another. We also drew pictures of trees, flowers and bushes and went on a hunt for plants from different countries."*

Maisie added, *"We saw a cacao tree. The seeds are really big. We've learnt about it in science and when looking at fair trade in geography."*

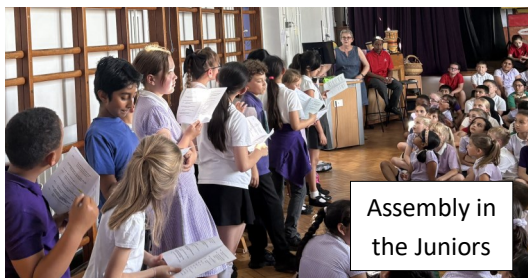

Police Visit

This week our children in Morning Nursery, Maple and Fig Class had a special visit from the police. The children listened very well and asked some fantastic questions. We also learnt some great facts. Finley said, *"If you are lost you call the police"*, and Paige added, *"You could call 999 if you are in trouble"*. The police will be returning soon to meet with our Afternoon Nursery children.

Healthy Eating Assemblies

On Tuesday, our Pupil Voice children talked to the Infant and Junior children about how to have healthy balanced

Assembly in the Juniors

pack lunches. There was a song and some games as well as some great ideas of lunch swaps. Here are some of the ideas they had:

Instead of a jam sandwich pack some pasta, a wrap, cheese and crackers or houmous and veggie sticks. Change a packet of crisps for a handful of tortilla chips, bread sticks, popcorn or cheesy biscuits. Swap chocolate for biscuits, cake, flapjacks or a brownie. Oh, and don't forget to pack some fruit!

Mrs Proctor-Lane

Religious Visitors

We have had several visitors this week talking to the children about different religions. Nabhi met with Year 3 to teach them more about Hindu beliefs. Zunaira said, *"When we arrived he played us a song and we played some instruments. He told us about Hinduism and about the soul and how it goes into different bodies."*

Joy Beauchamp, spoke with Year 5 about her journey into priesthood. Lilla said, *"She told us about a motor-bike accident she had had which affected her ability to walk and how she originally wanted to be a teacher. Her dad was a priest and she spent ten years thinking about it. It was very interesting. We played a game of Simon Says showing us different ways Christians pray."* Joy greatly enjoyed the visit too saying, *"The children were an absolute delight. They were so thoughtful and engaged. The hour shot by!"*

Finally, Derek Winterburn, the Vicar of St James, spoke with Year 6 about the challenges the world faces in protecting the environment and how the Christian church is trying to do its bit. He challenged them to reflect on the part we play, as global citizens, in protecting the planet's future.

Multiplication Tables Checks

Last week Year 4 participated in the national Multiplication Tables Check test. As a year group, their resilience, respect and encouragement for each other throughout the week to achieve their very best was a credit to their wonderful personalities. The Year 4 team are incredibly proud of all of their efforts, and look forward to finding out their official results shortly. Congratulations Year 4!

Mr Donnelly

11x1=11	11x2=22	11x3=33	11x4=44	11x5=55	11x6=66	12x1=12	12x2=24	12x3=36	12x4=48	12x5=60	12x6=72

Considerate Parking

Unfortunately, we have had reports this week from some of our neighbours on the Woodlawn Estate regarding inconsiderate parking by a few of our parents. We kindly request that you avoid parking across driveways and blocking cars on drives. In addition, please do not park on corners or on double yellow lines. This can create visibility issues and safety hazards for children. Please allow plenty of time when parking to drop off and collect your children so you can park further away and walk if there are no suitable spaces close to school.

Dates for your Diary

Friday **27th June** - Class photos
 Monday **30th June, 2.50pm** - Dance and Gymnastics Showcase for Parents and Carers
 Friday **4th July, morning** - Junior Sports Day and Picnic
 Monday **7th July** - All Change Day
 Wednesday **9th July, 5.30-7pm** - Year 6 Leavers' Disco
 Thursday **10th July, 9am and 2.45pm** - Transition to Year 3 Meeting for Year 2 Parents - [more information to follow](#)
 Friday **11th July, 10am** - Infant Rock Steady Concert
 Monday **14th July, 9am** - Year 2 Leavers Celebration for Parents and Carers
 Tuesday **15th July, 9am** - Year 2 Leavers Celebration for Parents and Carers
 Tuesday **15th July, 7pm** - Year 6 Production - [further information and tickets will be available next week](#)
 Wednesday **16th July, 7pm** - Year 6 Production - [further information and tickets will be available next week](#)
 Thursday **17th July, 10am** - Junior Rock Steady Concert
 Thursday **17th July** - Last day of term for Nursery
 Friday **18th July, 12-1.30pm** - Nursery Summer Picnic
 Friday **18th July** - Last day of term for children in Reception to Year 6

The last two weeks have been filled with some incredible sporting achievements, some of which are highlighted below. It culminated in our Infants Sports Day yesterday, which will be featured in the next newsletter.

Heathfield represent Fulham FC at Molineux Stadium

Last week, our girls' football team embarked on a residential trip to Molineux Stadium, representing Fulham FC. With each Premier League team organising a regional tournament and their champions representing them, the competition was tough, bringing together the top talent from across the nation.

Heathfield/Fulham FC lost 2-0 to Everton, drew 0-0 to Chelsea and won 1-0 against Nottingham Forest. However, their most impressive performance was their fourth game against a strong Ipswich Town side, where they secured a 3-0 victory. This win marked their last game together before they go their separate ways next year. Unfortunately, we did not qualify for the final, which Newcastle United won on penalties.

The team really made the most of this incredible opportunity to play for a Premier League club in a Premier League stadium. The girls represented the school, Fulham FC and the region to the highest standard both on and off the pitch. Fulham's feedback was extremely positive and the girls impressed the Premier League, leading to an interview with Sky Sports.

The girls thoroughly enjoyed their experience, which was a great sign-off to an amazing few years of girls' football at Heathfield, their talent and reputation paving the way for our next generation of girls.

Mr Nuthall

Surrey Cricket Champions

Our girls' cricket team were crowned Surrey u11 Smash IT Schools Champions on Monday.

A wonderful achievement!

Surrey is without doubt the strongest county in the country for schools cricket due to the high volume of independent schools.

On our way to winning the event we have beaten two state schools and six independent schools.

Today we beat Caterham and Donhead in the group stages and we beat Manor Park by 50 runs in the semi final.

In the final we were up against St George's Weybridge. Heathfield scored 57 off 8 overs. In reply St George's needed 14 to win. Off the last over.... Yasha took two wickets and Heathfield won by 24 runs!

A truly incredible result!

Mr Watson

Borough Athletics

On Wednesday, our relay team's hard work paid off when they won the Borough Sprint Relay Final at St Mary's University beating the other five fastest teams from the heats. Afterwards they met Olympic athletes Andrew Osagie, Andy Vernon and Adelle Tracey. Nathan said, *"It was a great day. After we won our relay, we watched a 3000m race and then met the Olympic athletes. Our medals were made out of wood so we asked the Olympians to sign them for us."*

The team with Andrew Osagie & Andy Vernon
