

Dear Parents and Carers

A sincere thank you for all your support this year. You have sent us children who are hard working, kind and friendly. They respect the adults in the school and make solid and positive relationships with their peers. For all those reasons they have a successful time at school and make progress with their learning.

Thank you too for your generosity with the children's sponsored skip. We have raised over £4,000 towards a school minibus. A special mention to Colby, Johnny, Alex, Eben, Elodie-Jayne, Lily and Hallie who all raised over £100 each.

We hope you enjoy your holidays and the children refresh for next year, as we all want it to be as good as this one.
