

# HEATHFIELD SCHOOLS' PARTNERSHIP

26th September 2025

## Attendance

We have had a strong start to the term with a large majority of our children attending every day. The classes with the best attendance since the start of term are: **Maple** and **Birch** in Infants and **Myrtle** and **Waikiki** in Juniors. Children have embraced the new attendance competition, *In it to win it*, hoping to win one of our special prizes.

## Pupil Voice

Following assemblies by Mrs Proctor-Lane, children voted for their class pupil voice representative last week and the results were announced this week. Congratulations to the following children:

<u>Year 1</u>	<u>Year 2</u>	<u>Year 3</u>	<u>Year 4</u>	<u>Year 5</u>	<u>Year 6</u>	<u>Maple</u>

Mrs Proctor-Lane said, "Our theme this year is feeling happy and safe. Our first charity event will be Children in Need in November - watch this space!" Arya in Year 2 said she was "very happy" to be elected while Stanley in Year 6 is looking forward to doing the assemblies.

## Year 4 Guitars

Children in Year 4 started their guitar lessons this week. Richmond Music Trust provide eight weeks of class based tuition as part of the government's Wider Opportunities programme. Ayah said, "I loved it, it was so fun. The D string had the best sound." Noor added, "To learn the names of the strings, the teachers taught us **Elephants And Donkeys Grow Big Ears**. The top E string (Elephants) is thick and has a low sound, the bottom E string (Ears) is thinner and has a higher sound."

## Hampton Boys' Five-A-Side Tournament

On Saturday 13th September, 20 children represented Heathfield at Hampton Boys' Five-A-Side Tournament. Mr Nuthall said, "Our Year 5 Boys Team won the tournament and secured the school's first competition win of the year. They were unbeaten and outstanding throughout. Our Year 6 team were resilient, playing without three of their teammates. They came 4th. Our girls' team also took part and with all three teams winning their last game of the day, everyone ended on a high having gained valuable experience for the year ahead."

## Year 1 Autumn Walk

Yesterday, Year 1 went on a walk looking for signs of autumn and seasonal changes. The children noticed that the leaves were changing colour and spotted the leaves that were turning yellow, brown and red. Nathan said, "I really love autumn, everything goes orange." Neo added, "All the conkers fall down and you can catch them."

## Clubs

We have had our most successful start to a year, with more children than ever joining our vast range of clubs. Mr Nuthall said, *"We have now opened most of our sports clubs to Year 2s for the first time, and it's been great to see so many of them take part and enjoy the sessions. The coaches and I are excited to watch their progress over the years as they begin developing skills from a young age. We're delighted that so many children have taken up the sporting opportunities we offer – however, we still have some spaces available if your child would like to join. Please check Scopay to see what's on offer."*

## Year 6 Junior Citizen

Year 6 enjoyed their annual trip to take part in the Junior Citizen Scheme at Heatham House in Twickenham yesterday. It is designed to teach life skills for dealing with emergency situations and to promote good citizenship. The children were put in real life scenarios with representatives from different

services, including the police and fire service. Scarlett said, *"It was really good fun. The activities taught us about safety. I liked road safety best. We looked at realistic situations like someone stepping into the road with headphones on and nearly getting hit by a cyclist. We talked about the ways we can keep ourselves safe."*

## Year 3 Swimming

Year 3 have started their weekly swimming lessons and the children are excited to head to the pool every Monday. Each week they are building on skills they have learnt from the week before. In just as little as three weeks the teachers can already see the progress they are making. Anna said,

*"The teachers are kind and the pool is super warm. It's nice to get into. It's not so nice to get out before getting back in again though as we sometimes have to do!"*
