

Heathfield Schools' Partnership

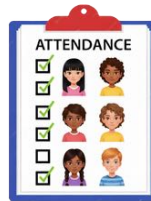

16th October 2026

ATTENDANCE

Congratulations to the following classes for the best attendance over the last 2 weeks.

INFANTS

1. Maple
2. Juniper
3. Magnolia

JUNIORS

1. Kukulkan
2. Khonsu
3. Hathor

At Heathfield Schools' Partnership we offer a soft start between 8.45 and 8.55am.

Arriving on time allows children to have social interactions with their friends before they settle into the school day and they do not miss out on important information about the day's activities.

Being late 5 minutes a day = 3 days a year lost learning.

HELPING HANDS WITH LOUDMOUTH EDUCATION

On Monday Year 6 were visited by Hollie and Leighton from Loudmouth Education. They were here to deliver a workshop called Helping Hands, which was a mnemonic for how children can deal with difficult situations as they get older and head off to secondary school.

This programme helps children to stay safe in their relationships with others both on and off line. The programme builds on established tools e.g. The Hands Rule and Personal Networks, and gradually uses these to explore different issues or situations where children may feel unsafe and need support.

The fun delivery from the 'Safety team' had a strong and challenging message, making us all think about how we would deal with the different scenarios and which one of the 'HANDS' could help us. After the initial performance, we split into smaller groups to discuss some of the scenarios in more detail. After the session the children had an increased understanding of what makes safe and healthy relationships and have learned a range of techniques on how to stay safe. Year 6 were an excellent audience and learnt a lot, which will allow them to navigate more challenging situations in the future.

Mollie from Kukulkan said, "It was great fun, we learnt a rhyme to remember the Childline number and could ask questions of the actors."

YEAR 4 WIDER OPS GUITAR

All the children in Year 4 are having a guitar lesson every Wednesday afternoon. The children have learnt about the parts of the guitar and the names of the strings. They are now able to play different notes.

YEAR 6 JUNIOR CITIZEN

Our first trip of the year and one of the best: Junior Citizen. A visit to Heatham House in Twickenham for our safety scenarios and to encourage independence ready for secondary school.

After splitting into 6 groups of 10, the children went off with the different services: Fire, TfL, Heatham House, and the Richmond junior safety team to complete role plays and find out lots of information that will help them next year.

Anjali from Kukulkan said, "My favourite scenario was the railway one, as it gave us some really important information and we got to role play too. Aria added, "I liked the TfL ones!" Whilst Paige really enjoyed the Heatham House section, as there were so many things that they can access for free.

YEAR 4 ROMAN DAY

The children had a wonderful time during Roman Day. They enjoyed a Roman Workshop, made Mosaics and took part in a quiz.

"I really enjoyed the drama we did," said Isabelle from Vulcan Class.

YEAR 3 STONE AGE DAY

Year 3 took part in their Stone Age Day. All the children looked fantastic and Tommy in Khonsu class said, "It was really fun and we won the big quiz so our class are the Stone Age chiefs'.

JUNIOR HARVEST ASSEMBLY

On Tuesday Reverend Helen came in to speak to the Year 4 children about the deeper meaning of Harvest.

She told us that Christians believe that God created the whole world and that at Harvest time Christians celebrate this and thank God for all the food and the farmers who grow the food.

Christians try to be generous at Harvest time and help other people and she challenged us to think about what and who we are grateful for and who we can help every day. She suggested that everyone try and smile at someone and see if their smile can be passed on.... Helen was amazed how thoughtful the children were and she loved our project to collect items for the Upper Rooms, a charity for homeless people. In the afternoon, some children from Thor and Arora class did a special assembly for each house in the Juniors. On Weds some children from Vulcan class performed a special Harvest Assembly for the Infants.

The competition has begun! Please send your items in by Monday 19th October!

INFANT HARVEST ASSEMBLY

We were delighted to welcome Reverend Helen to our Harvest assembly this week. The Year 1 and 2 children sang beautifully for her and we found out about how harvest is a time to think about sharing, giving to others and spreading kindness. Special thanks to one of our parents who made us two beautiful flower arrangements to show the children.

We also reminded the children of our Upper Room collection for the homeless - thank you for all your very generous gifts to this appeal.

INTRODUCING OUR DIGITAL LEADERS

We are incredibly proud of our Year 5 and 6 pupils who have taken on the important role of Digital Leaders.

Our Digital Leaders have already made a fantastic start by taking part in an online safety assembly for the whole school, helping to raise awareness of how to stay safe and responsible when using the internet. Looking ahead, they are excited to organise computing clubs, support computing across the school and help their peers make safe and sensible choices online.

Through this role, our Digital Leaders will develop their leadership, communication and teamwork skills while making a valuable contribution to our school community.

We are so proud of our Digital Leaders and look forward to seeing all they achieve.

ONLINE SAFETY POSTER COMPETITION.

Can you design a winning poster to help everyone stay safe online?
We are challenging all children in Years 3, 4, 5 and 6 to get creative and design an eye-catching poster all about **ONLINE SAFETY!**

Your poster should be:

Colourful and creative to grab everyone's attention.

Informative with helpful tips about how to stay safe online.

SMART by including our important online safety rules.

Remember **SMART** stands for:

S – Safe: Keep personal information private.

M – Meet: Never meet someone you only know online.

A – Accepting: Be careful when opening messages, links or files.

R – Reliable: Check whether information and people online are trustworthy.

T – Tell: Tell a trusted adult if something online worries you.

THE PRIZES

There will be **TWO WINNERS**:

One winner from Years 3 and 4.

One winner from Years 5 and 6.

Your design could help our whole school learn how to stay safe online.

DEADLINE: 6TH NOVEMBER

Get creative, share your online safety knowledge and show us what you can do.

Think **SMART**. Stay safe. Be a digital superstar.

HAMPTON BOYS 5-ASIDE FOOTBALL TOURNAMENT

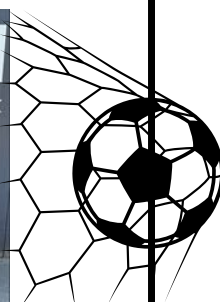

On Saturday 3rd October, 4 teams competed in the annual Hampton Boys 5-Aside Football Tournament. We had Year 4 boys and girls playing against Year 5 boys' teams. Our year 6 girls team played against other year 6 boys' teams.

Although our Year 5 and Year 6 boys teams were unable retain the title this year, the day was full of valuable experience and fitness for all 4 teams involved to get the children ready for the football season ahead.

FULHAM FC'S BOYS QUALIFIER

On Monday 5th October, our Year 6 Boys Team also competed at Fulham FC's Training Ground in their Primary Star Regional Qualifier. The boys won all their games apart from one, finishing 2nd out of 16 schools meaning they have qualified for the Regional Tournament later this year. Success at the Regional Tournament will lead to the National Tournament which will be held at a Premier League stadium, something our Girls Team got to experience in 2025.

YEAR 6 RUGBY

On Wednesday 7th October, our Year 6 Rugby Team travelled to Sheen Mount. The game was played for double the length of a normal league game to help prepare both schools for the upcoming Borough Tournament. Overall, we won 10-3. I was very impressed with the communication between our students and their ability to support the runner so they could offload and keep the ball alive.

GIRLS FOOTBALL TEAM

On Monday 12th October, the girls football team also travelled to Fulham FC's training ground to compete in their Regional Qualifier. Like the boys, they also won every game apart from one and came 2nd out of 16 schools, therefore they have successfully qualified for the Primary Stars Regional Tournament later this year.

YEAR 6 BOYS FOOTBALL

On Thursday 15th October, the Boys' Football Team had the opportunity to travel to Whitgift School to play a football match. Whitgift is one of the most prestigious independent schools in the country for boys aged 10–18. The school has strong links with various football clubs and offers scholarships to some of England's most talented young athletes. Jamal Musiala and Callum Hudson-Odoi are just two names on a long list of former students who have gone on to become professional footballers. Their current Year 6 team includes players from the Chelsea, Brighton and Fulham academies. Despite losing, our Year 6 team, which included two Year 5 pupils, fought until the final whistle. I was very proud of how well they defended and how they adapted to playing against opposition at a level they had never experienced before. We also enjoyed walking around the site and seeing the impressive facilities, which included a 25-metre, eight-lane indoor swimming pool and a wild bird enclosure featuring flamingos and peacocks.

UPCOMING Events

Oct

Friday 23rd October - PTA Seasonal dress up day

Nov

Tuesday 3rd November - Year 1 Autumn Walk

Wednesday 4th November - Hounslow Urban Farm - Year 1 and Provisions

Thursday 5th November - Year 2 Autumn Walk
