

Year 2- Autumn 1 Knowledge Organiser

Kings & Queens

Heathfield Schools' Partnership
ambitious for the future

During this topic we will be learning about what a monarch is. We will look at some famous English monarchs through history and the length of their reign. We will explore where kings and queens have lived through history and learn about the different features of a Medieval castle. Within our local area we have a palace from the past so we will be visiting Hampton Court Palace to compare this to other monarchs homes.

Key events and facts

What is a monarch?	A monarch is someone who is a head of a state. This this can be a king, queen or an emperor.
Who was Queen Charles II?	Charles II was King from 1660-1685. His reign was known as the Restoration Era. He was King for 25 years and had no children. King Charles II loved horses, theatre and had spaniel dogs. He was alive at the time of The Great Fire of London and The Plague. He had the Royal Observatory built in Greenwich and was known as 'The Merry Monarch'
Who is King Charles III?	King Charles III became King in September 2022 when the queen passed away. His reign is known as 'The Carolean Era'. He has 3 siblings—2 brothers and 1 sister. He has 2 sons William and Harry and 5 grandchildren. He owns 2 jack Russell dogs called Beth and Bluebell that he got from Battersea Dog Home. He enjoys painting and fishing and played polo when he was younger. He has supported many charities and set up 'The Princes' Trust' helping disadvantaged adults.
Where do monarchs live?	Throughout history monarchs have lived in grand palaces and castles. These have changed through time and each monarch has added their own style to their own palace.
What would it be like to be a monarch?	You can only become a monarch if you are the child of a king or queen or a close blood relative. Being a monarch can be a very busy and involves a lot of travel around the world.
