Carry Forward Balance			£2,744.39

The school encourages all our pupils to participate in sports clubs offered after school and to support inclusion any family in receipt of free school meals / pupil premium grant is offered clubs at a subsidised rate.

Our PE co-ordinator has developed this area of the curriculum, the resources available and brought in new and exciting opportunities for our pupils to experience and try new sporting activities.

PE Co-ordinator is supported by another teacher, whose specialism is sport, has been invaluable and between them they have been able to bring new skills and ideas to the school and pass these on to the remainder of the staff through INSET provision and curriculum support.

All children, from Nursery to Year 2, were given a skipping rope as part of the skipping event to allow all to participate and continue at home.

The activities during and after school have been chosen to not only present the pupils with new experiences but to inspire them to try new sports and

understand the need for a healthy lifestyle which incorporates sports / exercise. This will be a lifelong lesson learnt.
