

Heathfield Nursery and Infant School

Sports Premium 2019-2020

For 2019-2020 the Sport Premium Funding will be £15,234.

Details are given below of our planned activities to promote a physical education curriculum from nursery to key stage 1, which offers a variety of new opportunities to ensure progression of skills and challenge.

In addition we intend to develop our children's enthusiasm to play and take regular activity outside through child led opportunities as well as offering adult led positive outdoor experiences at Forest School.

OBJECTIVE	ACTION	COST	IMPACT
Provide safe challenge and variety in front playground for use by all Reception and Key Stage 1 pupils	Upgrading climbing equipment and trim trail to offer more varied opportunity for physical challenge through play	£5,368.00 Work carried out by Fawns Playground Equipment Specialists £5,000 contribution from PTA Actual cost to school £368.00	Children have enjoyed the new equipment and all have accessed it. Children have been physically challenged and have shown a keen interest in playing on it.
Provide safe challenge and development of skills in Reception outside area for use by all Reception for child led activities	Installation of a climbing frame offering variety to build self-confidence, balance and strength	£6954.00 Work carried out by Pentagon Play £5,000.00 contribution from PTA Actual cost to school £1954.00	The new equipment has enhanced the early years curriculum. The children have benefited by developing a range of skills.
Daily sessions for organised lunch time sport for Reception	Introduce new skills and collaborative play with peers	£2,967.00 Provided by Fit For Sport	Children have been engaged in lunch time games and worked as a team with their peers.
Subscription to professional organisations to provide training and key information for PE Subject Leader	CPD opportunities and new initiatives that can be passed onto the teacher workforce of the school. Support and guidance as well as Health and Safety advice related to PE	£99.00 Association of Physical Education (joint with junior school) £400.00	The PE co-ordinator attended a TeamUp conference at the Oval. Was able to discuss findings with staff. Implement new changes ready for the

Heathfield Nursery and Infant School

OBJECTIVE	ACTION	COST	IMPACT
<p>Regular Forest School sessions supported by staff every afternoon</p>	<p>Curriculum To provide positive experiences in an outdoor environment, encouraging pupils to engage in outside activities to develop character, stamina and a love of being outside.</p>	<p>RSSP Subscription £2500.00 Staffing cost to support activity</p>	<p>New Term The benefit of forest school has been well documented by class teachers. The children who have attended have accessed a range of positive experiences and all want to attend again and again</p>
<p>Before School Sensory Circuit for identified pupils</p>	<p>To develop gross motor skill and balance with identified pupils</p>	<p>£3000.00 Staffing cost to support activity</p>	<p>The sensory circuits have had a fantastic benefit on the identified children and class teachers have noticed the positive impact</p>
<p>PE Equipment for use at lunch break</p>	<p>Replenish equipment regularly, picking up on skills to be developed</p>	<p>£784.00 Summer Term</p>	<p>The children have a range of equipment to engage with in the playground that allows them to be creative with their play. The range of equipment provided has allowed different skills to be developed e.g. throwing and catching, hand eye co-ordination</p>
<p>PE Kit for Teaching staff, consisting of polo shirt and sweatshirt</p>	<p>This is to raise the profile of PE within the curriculum. For staff and pupils to appreciate PE is a curriculum subject in its own right to be taught within the weekly timetable and not an add-on or extension of pupils playtime</p>	<p>£1,200.00</p>	<p>This has had a positive effect throughout the school as children and parents can see how important PE is as a curriculum subject. It is now an expectation that staff wear their kit on PE days</p>

Heathfield Nursery and Infant School

OBJECTIVE	ACTION	COST	IMPACT
Review and replenish small equipment for PE lessons	Continuous renewal and replenishment of balls, bean bags and other small items	£1,962.00	Teachers are able to teach the planned lessons effectively with the correct equipment which they are able to differentiate according to the needs of their class.
TOTAL EXPENDITURE		£15,234	

As a school we promote healthy lifestyles including offering afterschool activities, supported through our Pupil Premium Grant to ensure that all pupils within the school, regardless of their social economic position, can access them. We offer

Gymnastics (Summer 19 / Autumn 19) every Monday

Football (all year) Tuesday

Tennis (all year) Wednesday

Street Dance (all year) Thursday

Our Year 2 pupils are provided with Scooter Training in the Autumn Term through a programme run by the local authority.
