

Pupil Premium Overview Heathfield Nursery and Infant School

Pupil Premium is additional funding to help schools close the attainment gap between children from low income households (and other disadvantaged circumstances) and those of their peers. The funding is calculated by the number of children on the school roll registered for free school meals, children who are looked after or those whose parents are serving in the armed forces.

The table below shows the additional funding the school received in the last three academic years to provide provisions for PPG pupils:

2018-2019	£104,000
2019-2020	£79,300
2020-2021	£108,200

This additional funding has been used to provide the following provisions:

Teaching Assistants to support intensive catch-up programme

1:1 Teacher support for reading

Volunteer reading scheme

Emotional and mental health support

Extended school provision supporting social interaction and engagement
