

## Heathfield Junior School - Curriculum Bulletin

### Durdle Door - Hub

### Spring 2026

#### Happy New Year

Welcome back, we hope you all had a pleasant and relaxing holiday.

#### The Heathfield Way

'The Heathfield Way' underpins all that we do in school. We expect all members of the Heathfield community to:

- Learn and let others learn
- Respect all people and property
- Work hard and try their very best

When children follow, 'The Heathfield Way' they will be awarded house points, which are recorded in their reading diary.

#### Reading Diary

Reading and books are a huge part of our life at Heathfield. Therefore, all children are expected to read aloud to an adult at home **every** day for 20 minutes. After they have read, the children need to record the title of the book and comment about what they have read in their reading diary. An adult from home should then sign next to the comment. Your child's teacher will then read your child's comment and sign the reading diary too.

We understand that sometimes children find it hard to write a comment about what they have read so here are some ideas about what they might write about:

- What has happened in the book so far?
- Who is their favourite character and why?
- Who is their least favourite character and why?

What they predict is going to happen next?

**Curriculum – please note** that if your child is attending their mainstream class for subjects, you will find their year group curriculum bulletin on our school website, as the topics being studied may be different.

#### English

This term in English we will be studying a range of different books. We will begin the term studying a visual literacy book called *The Girl and the Fox*. Then we will be reading *Firework Maker's Daughter* by Philip Pullman. In the second half of the term, we will be reading the Picture Book *One Plastic Bag* based on the true story of Isatou Ceesay from Gambia. We will then move on to some poetry.

#### Maths

In maths we will be mastering a range of skills within the topics of: multiplication, division, measure and fractions. Please continue to work with your child on learning their times tables. This is extremely important as it supports their learning in a range of mathematical areas. In order to help your children learn their times tables, the school is a member of 'Times Table Rock Stars'. This is an online website where your children can practise their times tables through fun and interactive games. Your child's login details are located at the front of the reading journal. We will be using this website in school but also ask that children login and practise at home as well. In the Spring term there will be a year group competition set on 'Times Tables Rock Stars'.

#### Science

This term we will be studying 'Earth rocks'. In both terms the children will be improving their scientific knowledge of the topic and developing their investigative skills through a range of practical experiments and experiences.

#### Humanities: Please note all children attend their mainstream class for this subject

The topics for this term in Year 3 are: Indus Valley followed by Ancient Egyptians. These are fantastic topics that we will be continuing to teach through a creative and historical skills-based approach. We will also be covering the topic Environmental Fieldwork where we conduct a litter survey in our local area. A knowledge organiser will be published so that you can see an outline of the knowledge and skills your child will be taught in these topics. Please have a look at this with your child and ask them what they have been doing in school.

## **SEMH Provision Curriculum**

### **Nurture**

The topics being covered this term are: 'New Year New Me', where the children will identify a new target they wish to work on this term. Then we will move onto tackling challenging situations, and choices and consequences. In Spring 2 the children will practise their speaking and listening skills, using a range of speaking and listening activities.

### **PSHE**

In the first half term we will be working on the topic of 'Citizenship'. The children will be learning about, rights and responsibilities, the local community and democracy. In Spring 2 we will be studying the topic of 'Economic Wellbeing' where the children learn how to manage money, share and understand their personal aspirations for the future.

## **Project Homework**

Each half term, we will be sending home a project linked to class learning. The children will need to research the chosen topic and choose a creative way to present their findings. For example, models, booklets, posters or PowerPoint presentations. Parents and carers are then invited into school to share and celebrate the finished projects together. This is not only a great celebratory moment for the children, but also an opportunity to put their oracy skills to work.

### **Spring 1**

**Project Homework Set-** Monday 12th January

**Project Homework Due in-** Monday 23rd February

**Homework Showcase Morning-** Friday 27th February

### **Spring 2**

**Project Homework Set-** Monday 2nd March

**Project Homework Due in-** Monday 13th April

**Homework Showcase Morning-** Friday 17th April

## **School Uniform Reminder**

Please ensure that your child wears the correct uniform to school. This includes wearing suitable **black** shoes with no logos. Your child should also have full PE kit in school every day. This includes black or navy shorts, their house T-shirt and trainers.

## **Healthy Lunch**

Please ensure that your child has a healthy and balanced packed lunch. School lunches can be provided. Also, please can you make sure that children come to school with a labelled reusable water bottle.

## **Important dates**

**Please see your child's year group bulletin for their specific key dates.**

## **How to contact us**

We are always happy to discuss any queries or concerns you may have.

If you need to make a general enquiry, please contact the school office via telephone 020 8894 3525 or message via the Hub phone.

Miss O - Provision Leader and Class Teacher.
