

Year 3 - Autumn 2 Knowledge Organiser
 Geography – Location and Place- Map Skills

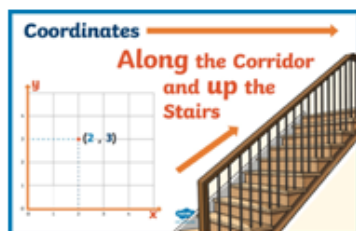

Heathfield Schools' Partnership

Following on from Year 2's map topic 'What a wonderful world' Year 3 will be expanding their global knowledge through the study of maps, atlases and photographs. We will learn more about the world we live in such as identifying key physical and human features of different countries including the names of European capital cities, famous landmarks and oceans around the world. As well using compass points and co-ordinates to explain location.

Key knowledge

Co-ordinates

Coordinates are a set of numbers or letters together that show you a position on a map. They can help you find a specific place or object that you are looking for.

7 Continents of the world and countries

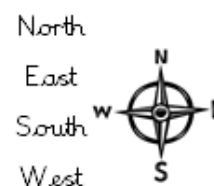

Capital cities of Europe

Country	Capital City
Great Britain	London
France	Paris
Italy	Rome
Spain	Madrid
Germany	Berlin
Greece	Athens
Norway	Oslo

Compass Points

The different points of a compass are:
