

Year 4 – Autumn Knowledge Organiser

Art: Bodies

Heathfield Schools' Partnership

This drawing and sculpture based unit builds on knowledge and techniques learned in year 3, while teaching children about how to use pen, charcoal, felt tip, make maquettes, make paper clothes and sculpt Giacometti-inspired models to create quality artwork that shows progression in skills. The children will also have the opportunity to explore the work of 'Bodies' artists Julian Opie, Alberto Giacometti and Henry Moore. Sketchbooks will be used to record and test ideas and observations. They will continue to discuss own and others work, expressing thoughts and feelings. Identify modifications and how they can be further developed.
