

Heathfield Junior School
Year 6 Curriculum Bulletin
Spring Term 2023

Welcome back, and happy new year.

The Heathfield Way

'The Heathfield Way' underpins all that we do in school. We expect all members of the Heathfield community to:

- Learn and let others learn
- Respect all people and property
- Work hard and try their very best

When children follow, 'The Heathfield Way' they will be awarded housepoints, which are recorded in their reading diary.

Curriculum

English - we will be studying a book called Street Child based on a child's experiences in Victorian London.

Maths - the children will look at converting units of measure and geometry.

Science - this term we will be looking at light and electricity.

Humanities - we will continue to look at World War 2 then move onto Geography location and map skills after half term.

Homework

- Maths homework will be set on a Monday and is due in on the Friday of the same week.
- Non-Core/SPAG homework will be set on a Monday and is due in on the Friday of the same week
- Spellings will be set on a Friday and will be tested on the following Friday.
- Reading journals will be checked by the class teacher every day, could you please sign your child's journal every day and make a comment on their reading.

Due to the importance of year six, we would expect an hour to be a good estimate of time for the Non-Core homework and half an hour for the Maths.

A homework club will run every lunchtime during the week and all children are encouraged to attend.
