

The humanities curriculum focuses on a different history or geography theme each half term (see year group curriculum maps). Each year group studies six topics a year and lessons include lots of practical activities as well as written work which support the development of the children's literacy skills

Visits and Visitors

These are a very important part of life at Heathfield Junior School. All year groups are expected to organise a minimum of one activity of this type each term. Taking advantage of the Mayor of London's free public transport initiative we are able to visit a wide range of places of interest such as museums, theatres and galleries.

Year 3 Fairtrade Coffee Morning. Year 4 Roman day.
Year 5 Exploring Contour Lines. Year 6 Making Anderson shelters.
