

Provisional Key Stage 2 SATs Results 2023

Reading, writing and maths expected		Reading, writing and maths greater depth	
School 2023	National 2023	School 2023	National 2023
59%	59%	6%	8%

	Working towards the expected standard	Working at the expected standard	Working at greater depth
Reading	32%	50%	18%
	68% <i>National Average 73%</i>		
Maths	16%	55%	29%
	84% <i>National Average 73%</i>		
Spelling, Grammar and Punctuation	29%	38%	33%
	71% <i>National Average 72%</i>		
Writing	20%	66%	14%
	80% <i>National Average 71%</i>		

Scaled Scores

A scaled score of 100 represents the expected standard for each test. The highest scaled score possible is 120 and the lowest is 80. Pupils working at greater depth achieved a scaled score of 110+.

The school's scaled score averages this year were: **Reading: 104** (*National 105*), **Grammar: 105** (*National 105*) and **Maths: 106** (*National 105*).

Progress Measure

Reading	Writing	Maths
-1.3	1.3	1.8

What progress measures mean

Most schools will have progress scores between -5 and +5.

If a school has a progress score of 0 this means that on average their pupils achieved similar results at the end of KS2 (end of year 6) to pupils in other schools with similar results at the end of KS1 (end of year 2).

If a school has a positive progress score this means that on average their pupils made more progress than pupils in other schools with similar results at the end of KS1.

For example: a score of +3 in reading would mean that on average pupils at the school got 3 scaled score points more in the KS2 English reading test, compared to other pupils nationally with similar results at the end of KS1.

A negative score doesn't mean a school has failed or pupils have made no progress. It just means that on average their pupils have made less progress than pupils in other schools with similar results at the end of KS1.

For example: a score of -4 in maths would mean that on average pupils at the school got 4 scaled score points fewer in the KS2 maths test, compared to other pupils nationally with similar results at the end of KS1.
