Science

88% (**National average 81%**) of Year 6 pupils have made the expected standard in science.

Scaled Scores

A scaled score of 100 represents the expected standard for each test. The highest scaled score possible is 120 and the lowest is 80. Pupils working at greater depth achieved a scaled score of 110+.

The **school's scaled score averages** this year were: **Reading: 106** (*National Average: 105*), **Spelling Punctuation and Grammar (SPaG): 106** (*National Average 105*) and **Maths: 106** (*National Average:104*).

Progress Measures 2023-2024

As primary tests and assessments were cancelled in academic years 2019/20 and 2020/21 due to COVID-19 disruption, there will be no relevant KS1 data which is required to calculate primary progress measures for 2023/24 and 2024/25. Given the lack of a statistically robust alternative baseline to calculate primary progress measures, the DfE will not be producing or publishing primary progress measures for 2023/24 and 2024/25, and instead will only publish the usual attainment measures.
