Spring Art Competition Results

We had a fantastic response to the Spring Art Competition held over the half term holiday. The judges were greatly impressed by the creativity and high standard of artwork produced by children across the school. All entrants will receive a certificate and the winners, shown here, will be given their prizes when we return to school on 8th March.

Newsround – Dalemead Letter Writing Project

Earlier this week the Community Senior Letters project the junior school joined during the first lockdown was featured on CBBC's Newsround for a report called 'A small act of kindness can make the world a better place'. Some of our children were featured in the short video clip which explores the links created between primary schools and care homes. To watch the report please click on the following link:

Egyptian Cartouches

Year 3 have been learning about Ancient Egypt and this week they designed and made their own cartouches. Poppy and Tommy explained: "Cartouches are ovals that have a Pharaoh's name on them so they can be protected for ever. The scribes write on the cartouches and go to a special school to learn hieroglyphics which is the alphabet but in pictures. Cartouches are made out of stone but we made them out of clay and salt dough."
